The Re-employment Connection Program is organized and administered by Workforce Central Florida. This program is an opportunity for the Board of Sumter County Commissioners (BOCC) to assist the unemployed in Sumter County. Workforce Central Florida will provide the BOCC with unemployed individuals who will work 40 hours per week over a twelve week period to enhance their skills in the workforce. Workforce Central Florida will pay the individuals \$10.00 per hour and be responsible for all payroll issues. The BOCC will be responsible for daily supervision of the individuals and training them on specific or unique job skills. The BOCC will also be gaining additional help with our work loads at no additional cost. The individuals will be working in the following Divisions: Public Works, Fire Services, Community Services, and Support Services. Executing this agreement will allow us to continue utilizing this service.
